The Wizard — Sports Book — Today's Picks

Algorithm: Sports Rule v1.8 · effective 2026-11-16

UNPROVEN PICKS — published by owner decision ahead of any backtested record. No edge is claimed. These picks are AI-produced.

Monday, November 16, 2026 — every filed sports pick, as published on the section pages.

Today's sports picks — best to worst

Ranked by win chance × expected return at the filed price. The win chance is the lab model's own probability that the pick covers its filed line; the expected return is that chance priced at the filed odds.
